**PROGRAM OVERVIEW**

During the past year, the 84 Rape Crisis Program grant recipients were impacted by the economic downturn and extreme fluctuations in funding from public and private sources. However, most Centers were able to sustain the same level of service provision as in the previous year due in large part to the commitment of the professionals and volunteers who serve the needs of sexual assault survivors. Additionally, a comparison of 2007/08 and 2008/09 data shows an 18% increase in Community Education efforts and a 13% increase in the provision of Accompaniment services during sexual assault forensic medical examinations.

This program, pursuant to California Penal Code § 13836-13837, funds rape crisis centers to provide comprehensive services to sexual assault victims as they deal with the emotional trauma resulting from such an assault and as they progress through the criminal justice system. These services include:

- 24-hour crisis line services;
- accompaniment (forensic medical exams, law enforcement, district attorneys);
- in-person and group counseling;
- support during criminal justice proceedings;
- participation in local Sexual Assault Response Team (SART) efforts; and
- Community Education presentations about sexual assault and the center's services.
